Sir,

Sub: Public Services - Madras Revised Scales of Pay Rules, 1947 - Unqualified Pandits in Government Colleges - Order passed - Review requested.

I submit the following facts relating to myself for sympathetic consideration and favourable orders.

I am the senior-most Kannada Pandit working in Governmen Arts Colleges. As per G.O.No.78, Finance, dated 6-2-1947, I was one of the Pandits enjoying the scale of pay Rs.100-140. The Government in G.O.No.915, Finance, dated 20-11-1947, permi unqualified Pandits in Government Arts Colleges to retain the scale of pay Rs.100-140 as personal to them on condition that such Pandits had put in 20 years of service on 31-12-1946. T G.O. affected me adversely as I fell short of 20 years' servic eight months. I was one of the memorialists to submit an app for favourable consideration to be allowed the scale of pay Rs -140. It was then not clear that 20 years service should hav on 31-12-1946. Subsequently my request for favourable consid tion of my case was negatived by the Government in G.O.No.1688 dated 3.7-1948 and recovery of excess pay drawn was ordered. I have paid the recovery ordered. My pay has now been FIXED as Rs.70-5-130 as per G.O.No.587, Finance dated 4-8-1947.

I beg leave to place before you my anomolous position and request for a favourable review of the case.

Unqualified Pandits in Secondary and Training Schools wh are only O.T. Holders who happen to have put in 15 years' serv on 1-1-1948 are allowed the scale of pay Rs.85-5-125-10-175 as per G.O.No.Ms.546, Education, dated 27-3-1948. In the case c certain College Pandits who have put in less than two years service in Colleges on 31-12-1946 their service in High School is also taken into account to enable them to draw higher scale of pay as per Government Memo.No.34237, E.III-I, Finance, dated 4-5-1948.

I beg to state that upto 31-12-1946, I have put in an aggregate service of 19 years and 4 months and 2 days service as follows in Education Department as Kannada Pandit:

		Y.	M.	D.	
1.	Government Colleges	10	2	5	✓
2.	Government Oriental Mss. Library (In the same scale of salary Pandits in High Schools	9	1	27	asst: Pandit as Pandit

I may also submit that as a Pandit in Government College Mangalore, I worked also as Kannada Pandit in the High School and Secondary Training School attached to the College for more than six years.

Further in addition to the Pandits Examination, I have also passed the Upper Secondary Examination of Mysore, which i of the same standard as the S.S.L.C, I have herewith submitted

High School Pandits who are mere O.T. Holders with 15 years service are allowed a scale ofpay 85-175 and Pandits now working in Government Colleges who are by far juniors to me in College Service and even those with less than two years of service on 31-12-1946 are allowed a special scale of pay (Rs.100-140) as in the case of Sri G.H. Gurunatha Sastry, Arts College, Anantapur who is my junior in College service.

But although I have discharged the duties of a higher standard and of a more responsible nature than those in High Schools and put in 19 years 4 months service on 31-12-1946, I am neither given the same consideration as in the case of High School Pandits nor am I given at least the same scale of pay sanctioned in G.O.No.78, Finance, dated 6-2-1947 which my juniors in College service are allowed to retain just because I fall short of 20 years service on 31-12-1946 by a narrow margin of about 8 months. This anamoly I beg to state has put me to much hardship financially and also in status. I complete twenty years service on 1-1-1948 which is taken as the criterion for fixing the pay to the High School Pandits.

I, therefore, request that taking into consideration my long service and experience in Government Colleges, I may be given the scale of pay as for high school pandits or I may be permitted at least to retain the scale ofpay sanctioned in G.O.No.78, Finance dated 6-2-1947, i.e. Rs.100--140 which was allowed to me previously, as in the case of Sri Ch. Gurunatha Sastry who is my junior in College service.

Sir,

I am to forward herewith a copy of the petition from one Sri B.Nanjundaswami, Kannada Pandit, Presidency College, Madras dated 16-12-48 addressed to you through the proper channel. The petitioner has sent a copy of his petition to the Association also. The case as depicted by the petitioner seems to be a hard one deserving sympathetic consideration of Government.. After all, the petitioner's request is reasonable. A benefit once given to the petitioner in G.O.No 78 Fin dated 6-2-47 and subsequently withdrawn for the simple reason that 20 years service limit fixed for these classes of subordinates on 30-12-46 fell short of by a few months, surely hits hard on these poor subordinates. It is seen that there are only two such men in the whole Presidency- Vide G.O.No 1688 Edn dated 3-7-48. As such the finacial commitment to Government by complying with the requests of the petitioners may not be much.

I am therefore to request that the Government will be pleased to reconsider the petitioner's case sympathetically and issue revised orders complying with the requests of the petitione

Yours faithfully,

Sir,

Public Services-Madras revised scales of pay rules,1947- Unqualified Pandits in Government Colleges-Orders passed--eview requested.

I submit the following facts relating to myself for sympathetic consideration and favourable orders.

I am the senior most Kannada Pandit working in Government Arts Colleges As per G.O.No 78 Finance dated 6-2-47, I was one of the Pandits enjoying the scale of pay Rs 100-140. The facts of the case have been clearly explained in the petition on pages 3-4 cf. The Govt declined to reconsider the petitioner's case and the case of another Pandit placed in similar circumstances in (R) GO No. 1688 Edn dt 8.7.48. Attention is particularly invited to Secretary's note on page 1 cf of the file.

In view of A on page 3 cf and also in view of the fact that there are only two such cases in the whole Presidency it is for Government to consider whether the previous orders may be modified and the scale of Rs 100-140 may be given to these two Pandits also. The excess pay received from these Pandits need not be refunded.

Sir,

Sub.: Fixation of scales of pay - grade II, Asst. Lecturer.

Ref.: Memo No.45183-A/53-1, Education, dated 16-9-1953 and Proceedings of the Director of Public Instruction, Madras - Dis.No.7974/53, dated 24-9-1953.

I beg to submit my humble representation for favourable reconsideration of my request regarding the fixation of scale of pay in Grade II, Asst. Lecturer in the light of new facts stated below:

2. My present designation is Assistant Lecturer, Grade II from 4-8-1951. But, I was officiating in the post of Grade I Assistant Lecturer in Kannada in the Arts College, Anantapur from 4-8-1951.

3. The Pandits with Vidwan qualification only working in the Government Oriental Manuscripts Library, Madras and High Schools having 15 years of service are given the scale of Rs.85-5-125-10-175. But, I have worked for more than 9 years in the Oriental Manuscripts Library and for nearly 20 years in the Colleges. When I was working in ~~xxx~~ Mangalore, I was also given teaching work in the High School and the Training School for about 9 years. During all these 29 years I have been doing the necessary English work i.e. cataloguing in the Library and translation work in Colleges. Although I am doing a more responsible and higher standard of work, I am denied the benefit of drawing more than Rs.140/-

4. Having worked in the full capacity of Assistant Lecturer Grade I single handed and having put in nearly 29 years of service and as I have only a few years before me for my retirement and being called Assistant Lecturer Grade II, that I should be satisfied with the same old pay (i.e. Rs.140) seems to be nothing but the result of my misfortune.

5. If I had continued in the Government Oriental Manuscripts Library as Pandit I would have been fixed in the scale of first grade Pandit with Rs.85-175 which is being given to persons with lesser qualifications in the said Library. Now since Government rejected my petitions for fixation of pay in the above scale in the Collegiate branch, I am denied even this scale of pay, simply because I am working in a College.

6. While I was promoted to the Mangalore College in 1932 from the Oriental Library, I was offered the College scale. But as ill luck would have it, I was later denied the same and had to pay back the difference so drawn in excess. And then I was drawing my original pay for the 2 years of my stay. Again on re-transfer to the same College on permanent basis, I was given new scale only, though I had put in 2 years of service in the College.

7. In addition to the above mentioned losses I had to forego to the tune of Rs.1,250/- by being denied the benefit of arrears as is enjoyed by others with less than 2 years of

8. Though L.T. qualification is considered unnecessary for the teaching staff of the Arts and Science Colleges, the training qualification fixed for grade II - Assistant Lecturers in Languages stands in the way of my Grade II Scale of pay. In fact, I have the other important O.T. and S.S.L.C. equivalent qualifications.

9. All my various qualifications, service, efficiency, authorship, etc. have been mentioned in detail in my previous petitions. Copies of the same have been enclosed herewith for your kind perusal. — pp 7-9 enclosed

10. This is my last request in view of the reorganisation of States. I therefore request that my representation may be sympathetically reconsidered and my pay fixed in the scale of Grade II from 4-8-1951 at least as a special case.

Yours faithfully,
